

November 18, 2021

For Immediate Release:

Ms. McClain would like to thank the community for its incredible support, love, and commitment to ensuring that Elijah's death would lead to meaningful reform. Ms. McClain raised Elijah as a single mother and his death has left an enormous void in her life. While nothing will fill that void, Ms. McClain is hopeful that badly needed reforms to the Aurora Police Department will spare other parents the same heartache.
