**For Immediate Release:**

Sally and Simon Glass applaud the Clear Creek County Board of County Commissioners' commitment to ensuring that the senseless and preventable use of force that resulted in the tragic murder of their son, Christian, never happens again.

Sheriff Albers' refusal to accept any personal responsibility for this unjustifiable loss of life demonstrates a lack of leadership and a disregard for the trust placed in him by the community. Sally and Simon Glass join the Board in condemning Sheriff Albers' conduct and call for his resignation.

By resigning, Sheriff Albers can begin to acknowledge and take responsibility for the failures that occurred under his watch. Only then can we begin to rebuild the shattered trust between law enforcement and the community they are sworn to protect.
