

November 16, 2023

**For Immediate Release:**

Sally and Simon Glass commend the District Attorney of the Fifth Judicial District for bringing criminal charges for failure to intervene against:

- Georgetown Marshall Randy Williams
- Former Clear Creek County Deputy, and current Georgetown Officer Timothy Collins
- Colorado State Patrol Trooper Ryan Bennie
- Idaho Springs Police Officer Brittany Morrow,
- Colorado Gaming Commission Officer Christa Lloyd, and
- Colorado Gaming Commission Officer Mary Harris

Christian Glass was a gentle soul, a treasured brother and son who loved art and geology. He was shot and killed by Clear Creek Deputy Andrew Buen at just twenty-two years old, after calling 911 for roadside assistance.

Earlier this year, the Glass family's advocacy for justice resulted in a record \$19 million civil rights settlement with the involved law enforcement agencies, including commitments to significantly improve officer training and establish a Crisis Response Team. Criminal charges are pending against Deputy Buen for second-degree murder, official misconduct and reckless endangerment, and yesterday his supervisor Sergeant Gould pleaded guilty to failure to intervene.

The additional charges announced today are especially significant because they recognize that Deputy Buen and Sergeant Gould did not act alone. Each of the six officers charged today had

ample opportunity to stop the unjustified and senseless use of force against Christian Glass. They took part in and enabled a plan to use criminal and unlawful force against Christian.

Had any one of these six officers stepped up to do the right thing, Christian would be alive today.

The District Attorney's criminal prosecution sends a clear message: all law enforcement officers have a duty to stop unlawful, criminal acts committed by other officers in their presence. When they fail to do so, they will be brought to justice.

The Glass family will be holding a press conference at 2:30 p.m. MST today at the offices of Rathod Mohamedbhai LLC. The audio to the press conference will also be streamed live through a conference call link at: <https://hello.freeconference.com/conf/call/8857883> You may dial in using your phone at: +1 605-475-4120
